Dear Mrs. Snell  
From the time you know

The very Best of luck to you Mrs. Snell  
as ever,  
Beith

Mrs. Snell

I should say something  
nice here so I could get  
better grades but I  
just don't know what  
to say except good luck

Larry Cuis

Mrs. Snell  
I've enjoyed  
very much being  
one of your pupils  
I'll be very glad  
having you again

Hale & Co.  
Anderson

Mrs. Snell  
Well I  
know I  
haven't  
done much  
the year  
but I hope  
that is all  
right. But  
we sure had  
fun in  
English in  
some of the  
things

Mrs. Snell  
I can't say  
anymore  
that I  
would  
like to  
thank  
you  
for  
everything!

Mr. Snell  
I have  
been  
thinking  
of  
you  
a  
lot  
since  
I  
left  
school  
and  
I  
hope  
you  
are  
well  
and  
happy  
as  
always

Mrs. Snell,  
Good luck to  
a

the head

I hope  
you  
are  
well  
and  
happy  
as

One of the  
best  
things  
I  
can  
remember  
is  
the  
summer  
of  
1954  
when  
I  
was  
in  
your  
class  
and  
I  
was  
lucky  
enough  
to  
be  
your  
student

Mrs. Snell  
may I speak  
at the study hall?  
or let's have  
the slips good old  
study hall.  
Don

Mrs. Snell, remember  
what a perfect little  
angle I was in 2nd  
Study hall, always study  
and nothing else.

Dear Mrs. Snell,  
I have enjoyed working  
in your library so much, I  
will enjoy your English  
class for everything.  
A thank you  
Realize you

Your husband  
John

It had a lot  
of fun in your class  
and working with you  
on the prom. But of luck  
for next year.

Mrs. Snell  
I don't think  
you should have moved you  
up front. I've missed you  
and you need your  
17 (Janis) I could

Mrs. Snell:  
It sure has been  
nice having you  
as a teacher. I may

to help you all  
to give also been a great  
help to me.  
Best of luck,  
Always,  
Love,  
Abie

for a teacher for two

can have you the next, but  
if I don't I want to thank  
you for all you taught me  
even though some of it took awhile  
to get through  
Sharon B.

Mrs. Snell,  
I have really  
enjoyed having you  
as a teacher and you  
knowing you as a  
friend. I guess we  
know how to get the  
"brains" together  
at Library Club  
don't we?  
Ma'jorie B.

Mrs. Snell,  
I have really  
enjoyed having  
you as a teacher.  
And hasn't Library  
Club been fun.  
I am looking forward  
to it with anticipation  
next year. Carol P

Ed Johnson

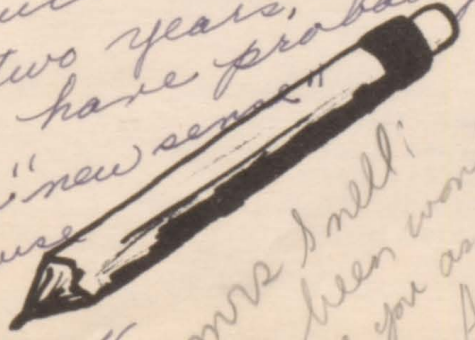

Mrs. Snell,  
You have  
been a very  
sweet teacher  
in the last  
years I had  
hope I had  
be my

next year. I  
enjoyed you very  
much as a

I hope I

Mrs. Snell

Mrs. Snell,  
I have enjoyed

Well here we are together again. You probably won't believe this but I am actually mad at myself for not dancing with you prom night. If I had only known that you would have gotten so mad you would have been my first dance. I hope to see you at this school this year as a friend of yours not an enemy.

# Hawarden High

I'll be coming back to see you every year until you leave this school so I'll expect to have a good talk with you. I hope you as good a prom next year as you did us because I think it was the best ever.

Mrs. J.

Mrs. Small,  
Next Christmas time  
I'll bring you some  
pine branches so you  
won't have to bother  
me. I'll see you  
next year. Ronald  
Patrick

We have journeyed far and purposely,  
Looking for the proper way.  
We have come the route and now can say:  
O school, you have served us faithfully,  
You have called our task most rigorously,  
So that now, that we end our day  
We can with great pride lay  
Down our burden gracefully  
For we have met your sturdy test,  
Now go on forever, O school,  
Continue to sharpen that tool  
That can with safety defy  
All else in knowledge that the best  
Comes from Hawarden High.

For all the fun we've  
in Soph English I'll  
forget, even if I did get  
down once in a while.  
I wish it was just the  
beginning of the year and  
all of the fun to come, don't  
I thank for a swell prom, &  
it may be sort of let down to  
I'll see you next year  
in anyway. Will see you next year  
I'll see you next year

Mrs. Snell  
 I could never

 you've done for me. I can say

# Dear Old Golden Rule Days

Do ye unto  
 others as ye  
 wouldst have them  
 do unto ye.

Mrs. Snell,  
 Keep your standards  
 high. I wouldn't want you  
 to lower them for me or anybody  
 else. I hope I can attain the degree  
 to which you have the strength of  
 your own conviction (I mean I  
 don't agree with your conviction)  
 If I go to Minneapolis I'm  
 going to go to play etc. like you  
 said, cheapest seats and all.  
 If I see something great I'll  
 write and tell you about it.  
 Being in your second favorite  
 city chances are you'll be visiting  
 the town. Look in on me.

# National Honor Society

The members of the National Honor Society are chosen from the students who rank in the upper 25 per-cent of the senior class. The student must be of good character, display leadership, and be performing services to his school and fellow students.

This year members are from left to right: Mary Eidsness, Barb Johnson, Jim Ericson, Jack Pereboom, Janice Johnson, Nellie Hartman.

# Class History

In September 1950 the cool cats, square johns and longhairs of '54 entered H. H. S. through windows, doors and ventilators, forty-nine strong.

Our first session featured Connie Callahan, sponsor with Jim Ericson doing the student solo. Janet Bultman was the "most" as our freshman attendant to the queen.

We came back to the club to play our second year as real hep cats. Man, there wasn't a thing we didn't know (and still don't.) Arnold Cook blew a mean horn as class supervisor and Tony Vande Hoef came with the tonsils sensitive at the Homecoming classic. The spotlights shone on Barb Johnson as our representative at the Homecoming classic. Some of the boys had a combo that was real gone (from school that is.) In the person of fast fox-trot to the South for some of the band.

Playing our third straight year we really blew up a storm as juniors. Mrs. Snell, the elder-statesman of all the musicians who played their third date with the school, again gave a brilliant performance and is, at present, doing an encore with the gang of '55. Jack Pereloom did a most cool rendition of "You're Out of Order, Mr. Esser" and Lois Schneider was our new torch singer for the Homecoming date. "Meet Me in St. Louis" was our contribution to acting and, as was to be expected, was the most.

Due to musician's heart, hearing drums in the night, and a few other afflictions peculiar to the musicians we had lost eleven of the band.

Will Kaufman, local official of the musicians union, conducted at our last big blow and Mary Eidsness was elected band representative. At the Homecoming fete Marlas Hammond sat in as the second vocalist and stunned the audience in the '54 tradition.

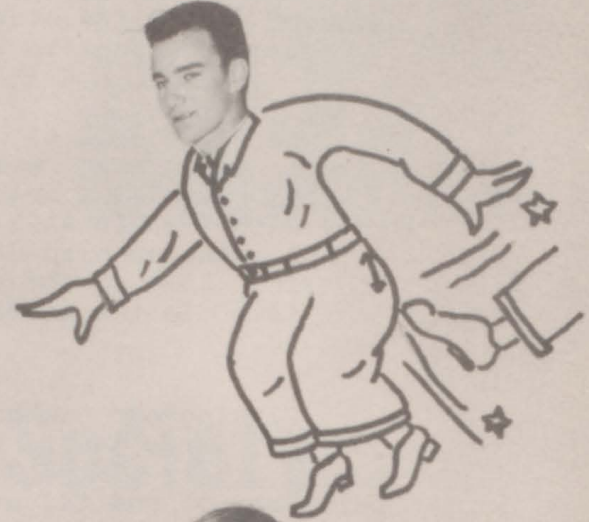

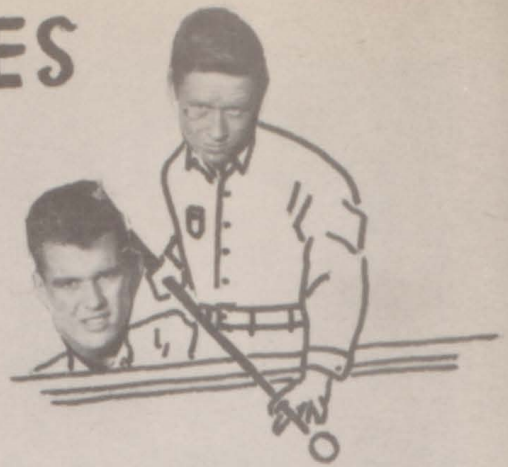

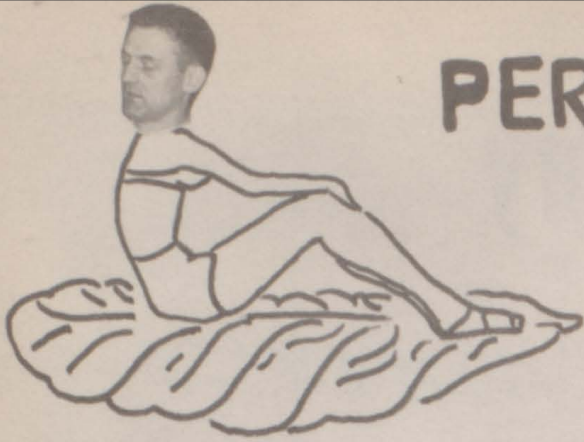

The Prom proved to be our most successful booking thus far. The setting was a Chinese dance hall complete with saki and yeisha girls. We had a bond from Basin Street in Hong Kong. They played some unknown beats which really made for a sheerball.

The band from Weidsville, the class of '55, threw a nervous Prom for us and after that last blowout Will Kaufman, his local counterpart, B. R. Feikema of Local 487 and James C. Petrillo president of the Union held a special session removed '54 from the Union for violation of Code 48.7.

All in all we did a lot for the joint, although the "Prisoner's Long" was audible throughout, there were flashes of music so sheer it was unknown even to Kenton.

# JUNIOR CLASS

As freshmen we started off by electing Evelyn Harmelink, Brad Busch, and Beverly Jones as officers. Next on the schedule was the big job of collecting material for the bonfire. Beverly Jones was elected as queen attendant. After Christmas we held the freshman party-exclusively for us, and the year ended with a picnic at the State Park.

Last year we were back, but this time as big sophs! First thing was election of officers as follows: Beverly Jones, president; Lyle Venard, vice president; and Diana Rehder, secretary-treasurer. For Homecoming we decorated the goal-posts with blue and white streamers on one end and red and white on the other. Our representative in the royalty was Geraldine Dimmick. After another football game we sponsored an all-school dance.

This year was the busiest of all. After electing Dann Thompson, Beverly Mollhoff, and Evelyn Harmelink to the three offices, we proceeded to other business. The car for Homecoming was decorated and Evelyn Harmelink was chosen as attendant. Money-making projects included selling pop at football games, sponsoring a dance after the Gehlen game, and giving a 3 act comedy, "Our Miss Brooks". Under the direction of Mrs. Snell, we put on the biggest event of the year, the Junior-Senior Prom.

We now rise as leaders of our school and plan for even a bigger year next year.

# SOPHOMORE CLASS

We got off to a good forte in high school by winning second place in the homecoming float contest and collecting material for the bonfire. We continued at a rapid pace with a party (for Freshmen only) and crescendoed to the climax of the year with a picnic.

With Dale Green wielding a mean baton, the class elected Norman Liston as student director and appointed Frank Hanson to be his assistant. Darlene Vander Lugt was appointed keeper of the music.

The Sophomores did a bang-up job this year! We started the year by decorating the goal-posts for homecoming. The next thing on our schedule of activities was a real jivey dance after the Gehlen game. On April 23 we put on a Sophomore carnival, complete with music, prizes, and food.

With Sam Appell taking over as the conductor of the band, the new Sophomore class elected Dudley Jans, president, Yvonne Ervin, vice president, and Darlene Collins, secretary. But the band plays on and as it does another year ends and we move to the Junior bandstand.

# FRESHMAN CLASS

The first event the freshmen took part in was the Homecoming in October. It was their job to gather enough boxes for a huge bonfire the night before the big game. They were very successful at this as they had one of the largest bonfires in recent years.

The next thing they knew, they were discussing plans for the Freshman Dance. The gym was carefully decorated and the dance was a huge success as many of the freshmen were there.

Then along in the early part of February they had another dance. The gym was decorated in red and white because the party was only a few days before Valentine's Day. They had about the same number of freshmen only many of these had not been at the first dance. Both of these dances, with refreshments, were for the freshmen only.

Assistant coach Roy Roth was a very important factor in Hawarden's athletic program. He not only helped Coach Kern with his coaching, but did a fine job of leading the football and basketball "B" teams to very impressive seasons. Mr. Roth moved to head coach of track, and turned out a fine team.

Coach Ed Kern led Hawarden to it's most successful football season since 1947, and produced a basketball team with plenty of fight. This was mainly because of the team's liking for him. He is really a nice guy to have around and we wish he was coaching again next year.

# Football History

A strong Akron team was Hawarden's opening game. With Waterman and Ahmann scoring for the local team. We came out on top of a 25-6 score.

The following week the heavy Augustana Knights invaded Hawarden. With All-Conference back Dean Folgers leading his team, Augustana scored 6 points against the strong Hawarden club. The score, the same as the week before, was 25-6.

LeMars, conqueror of such teams as Esterville and Cherokee, was our next opponent. The Comets were out for a victory and ended up with a 12-0 victory.

South Sioux City was our Homecoming foe, and with the best team in their history, outscored us 13-7 in a hard fought battle. Freshman Ray Gaul hauled in a 10 yard pass for our only score.

Vermillion was fired up for their Homecoming, and Hawarden had to fight hard for a 7-0 victory.

Next on the schedule was Gehlen of LeMars. Keith Waterman, Hawarden's All-Conference back, scored all five touchdowns as he lead the Comets to a 32-7 victory.

The winless Lions from Rock Rapids met with their seventh straight setback against a determined Hawarden squad. The game ended with Hawarden on the long end of a 38-7 score.

The Siouxland Conference Championship and the famed Wooden Shoes were at stake as the Comets met the heavy Dutchmen squad of Orange City. A deficit of thirty-two pounds per man plus a speedy backfield proved to be just too much for the hardfighting blue and white team to overcome and fell by a 12-6 score.

The Elk Point Pointers, who outweighed us 30 pounds per man, were out to end their season with a victory. The strong Pointers, having lost but two games in the last four years suffered their third against the strong Hawarden eleven by a score of 32-12. This was the last game for nine seniors who helped Hawarden have their best season since 1947.

With melting of ice and snow, Comet trackmen again don their sweat clothes and begin work. The 1954 track team will be coached by Roy Roth, assistant football and basketball coach, and headed by dash man Jules Johnson, a senior who is expected to run the 100 and 220 yard dashes.

The other dash men are Bob Pearson and Jerry McGuire. The men expected to be the distance runners are Junior Cain, Earl Ostercamp, and Fred Beck.

The team will attend such meets as the Tomahawk Relays at Cherokee, Sioux City Relays, Howard Wood Relays at Sioux Falls, Holstein Relays, dual meets with Le Mars and Canton and the district and state meets.

Also, the team will enter the Siouxland Conference meet which they won last year. Most of this team is back and we are again hoping for many trophies to be earned by this squad.

## Band Activities

The activities of the band for the year of 1953-54 were many and varied. After a session of summer band, the Marching Band took over and performed for all home football games. The shows they put on were usually centered around a theme such as the "Circus", "Sweetheart", and "Band Mothers."

Flag Twirlers: Geraldine Flick, Jeannie Dalton, Janice Hammond.

Although our flag twirlers are recently organized, they received a 1 rating at Luverne and have participated in many programs. Jeannie Dalton received a 1 rating at Sac City as a soloist and will go to state contest this spring.

Through the courtesy of

MIDWEST-BEACH CO.

In October this organization attended Band Day at Morningside in Sioux City. Despite the coldness of the day the band members really enjoyed themselves both performing as an individual band and playing as a mass group with 35 other highschool marching bands both before and at halftime of a Morningside-North Dakota State Football game.

The highlight of the fall marching season was the trip to Luverne, Minnesota, for the Tri-state Band Festival. In the afternoon the various bands did straight marching routine for the judges and then gave individual performances with more complex formations.

By December the regular concert band began work in earnest. This group played in three concerts, the Christmas Concert, Midwinter Concert, and Spring Concert. On March 5 the band attended the Concert Band Festival at Orange City. In the evening the bands gave individual performances with the grand finale being the massed band.

With the coming of spring and warmer weather, the twirlers donned their boots, the vest, their new plumed band hats and the organization again became one of movement as well as music. The entire band season wound up at the Orange City Tulip Festival in May.

**Baton Twirlers:** Linde Wohlenberg, Mary Eidsness, Marlas Hammond, Barbara Haines, Barbara Johnson, Clione Cooper.

All three groups of our twirling section received a 1 rating at Sac City plus being a part of many programs and contests. They are Linde, Barb J. and Barb H. ; Marlas and Mary; and Linde W. as soloist. They have participated with the band in football programs and twirled at many basketball games.

## Vocal Notes

The vocal part of the music department falls into three main groups, the Mixed Chorus, Girls' Glee Club, and Boys' glee Club. It is in one of these three groups that most Hawarden High School singers give vent to their talent.

The largest of these groups is the Mixed Chorus as can be seen above. Its work during the year closely resembles the Boys' and Girls' Glee Clubs in that it also appeared in the concerts given by the music department.

The Girls' Glee Club also appeared in several concerts. Their most impressive performance was at the Christmas program where the girls formed a Christmas tree and sang to the effect of different colored spot lights.

The Boys' Glee Club is the smallest of the large groups but have had a lot of fun rehearsing and also appeared in several concerts during the year. They also made up the "Fife-Jug and Bottle Band" which was a novelty group comprised of two fifers and the rest illustrating their ability at blowing bottles.

The highlight of the season for all three groups was the Vocal Festival at Rock Valley. The evening program consisted of the individual schools exhibiting their accomplishments during the year and the final number being a massed group. A massed chorus is very impressive and Hawarden High students always enjoy singing with the hundreds of other students that are there.

## Boy's Quartette

LEFT TO RIGHT: Darrell Schlumbohm, Ronnie Finch, Tony Vande Hoef, Joe Dalton.

Although new this year, this quartet has sung on many occasions and done a very fine job. They first appeared at the Sioux County Teachers' meeting at Orange City and then at a local amateur contest where they won third prize. Their last appearance before contest was at the annual Athletic Banquet.

## Girl's Trio

LEFT TO RIGHT: Judy Hodo-way, Betty Boyles, Jana Cain.

While not much has been seen of the girls' trio, they have been practicing and made their appearance at contest. In a small group such as this one gets training in individually carrying out their part, and, at the same time, blending with the rest of the group.

## German Band

LEFT TO RIGHT: Linde Wohlenberg, Jim Ericson, Gary Wilkensen, Jeanne Dalton, Beverly Mollhoff.

The German Band is a novelty group that was formed during summer band. They had quite an active season appearing on several Orange City programs, the local amateur contest, Mid-winter Concert, and various other events.

# Homecoming

One of the highlights of the season was Homecoming. We began our Homecoming Day activities with the traditional snake dance and bonfire in which practically every student participated. The next night was the memorable crowning of the Queen of Homecoming Day, Barbara Johnson.

The game began with the Comets fighting for a winning score against South Sioux. At the half the band put on a beautiful demonstration for the crowd. They formed a heart and arrow and played "Let Me Call You Sweetheart" while the Queen and her attendants were driven onto the field. The Queen was presented with a bouquet of roses by Joe Dalton, vice president of the senior class.

Though saddened by a defeat of 13-7, everyone was in good spirits at the coronation of the Homecoming King, Keith Waterman, in a beautiful and quiet ceremony. The King and Queen reigned over the dance which was quite a success.

Again this year, the Junior Class Play was a big hit with Joyce Schoeppler as "Our Miss Brooks". Aiding her in this portrayal was low-forlorn Diana Rehder, the school athlete, Dann Thompson, and last, but not least, the obstinate coach Glenn Brandsma.

However, the part played by Mr. Leahy in making this play successful was much more than just picking an excellent cast. His constant guidance and direction, along with his ingenious ideas, was the determining factor in promoting another of his outstanding productions.

# Snowhirl

Snowflakes, angels, and mistletoe hung over the gym the evening of December 23, transforming it into a winter wonderland. Tables adorned with Christmas trees were arranged ballroom style, and waitresses from the eighth grade added to the effect.

The highlight of the evening was a student-faculty floor show. The opening number done by a student chorus appropriately did a song and dance routine to "There's No Business Like Show Business." Next came a riotous dance by the "Andrew Sisters" "Miss" Appell, "Miss" Kern, and "Miss" Iverson. Three real-live pictures were the setting for the song "You, You, You" done by Barb Johnson. Joe Dalton, Terry Esser, Mr. Barnes, and Mr. Harris gave us the hilarious skit "If Men Played Cards Like Women Do." A very touching story about Bill Bailey was the next number on the program sung and told by Mary Morgan.

Reverting back to the "Roaring '20's", eight girls, Mr. Green, Mr. Leahy, and Miss Fix joined to do a real gone Charleston to the tune of "Five Foot Two." As a finale the teachers challenged the wit of the students, boasting that "Anything You Can Do We Can Do Better."

Students, teachers, alumni, parents, and friends enjoyed this new social event sponsored by the Speech and Drama Club, and we are looking forward to it as an annual event.

## Girls' Athletic Association

Although they didn't have meetings often, the G.A.A. get-togethers were always lively. At the beginning of the year the girls elected the following officers to guide them through the year: Mary Morgan, pres., Gerry Dimmick, vice-pres., and Janice Waterman, sec.-treas.

If they weren't playing basketball, boy's and girl's, they were giving parties. The most remembered party was the "Soc Hop" when most of the school, minus shoes, had such a great time.

The girls also won't forget their Christmas Party. After they exchanged gag gifts, they played some unorthodox basketball but still had fun.

Toward the end of the year, these forty-five girls went to basketball tournaments for practical experience as well as pure enjoyment.

All in all, the G. A. A. have had a very successful and fun filled year.

The other officers who help her are: Janice Waterman, first vice president, Phyllis Jurgensen, second vice president, Jana Cain, secretary, Beverly Hartman, treasurer, Darlene Vander Lugt, historian, and Cheryl Mapes, reporter.

A busy group, they have had a scavenger hunt in October, observed F. H. A. Week in November, a Christmas grab bag party in December, hobby show in January, and, of course, their heart sisters party in February with Mr. Kern and Mr. Roth as their special guests. In March, they co-sponsored a Farmer-Farmerette party with the F. F. A.

# One Act Plays

Overtones

The cast from left to right is: Jeanne Dalton, Nellie Hartman, Judy Hodoway, and Marlas Hammond. Although the use of subconscious portrays the character's true mental attitudes, the play goes still further by symbolizing rage with purple dresses and jealousy with green dresses. This was the play picked to compete in the Iowa Speech Association Contest and proved to be a good choice.

Aria da Capo

Left to right are Joyce Schoeppler and Joe Dalton, the characters portraying life's mediocracy. Filling in and showing the uselessness of nations at war are Keith Waterman, Bill Kelly, and Tony Vande Hoef.

## Library Club

Well, here it is again, the third Wednesday of the month. There's a Library Club meeting tonight. This refrain is heard nine times during the school year and, with a few exceptions the meetings are held at a girl's house with one other girl as co-hostess.

One such exception was the Mother Daughter Banquet held in the homemaking room. For this banquet many hours were spent on the decorations, the main center-pieces being charming, bonnetted "snow girls" flanked by white and green candles. In fact these fetching snow girls were so irresistible that the next morning their theft was reported. But, due to quick and effective detective work they were soon recovered.

Outside of the library, the years most important event is the "Sadie Hawkins" dance. Since this is a girl ask boy affair, it is especially appropriate that an all-girl organization should initiate it. It has become traditional that a farm theme is used.

Through work in the library and other activities the library girls have dept very busy and had a lot of fun doing so.

FIRST ROW: Roger Ahmann, Glenn Brandsma, Jim Ericson, Keith Waterman, Jim Schwiesow, Lawrence Liston, Junior Cain. SECOND ROW: Mr. Kern, Jules Johnson, Lyle Venard, Harry Lambertson, Jerry McGuire, Bill Kelly, Fritz Beck, Mr. Roth. THIRD ROW: Gary Wilkison, John Harmelink, Dann Thompson, Bob Keehn, Bernie Schiefen, Ray Gaul, Jim Rozell, Ed Johnson.

## Lettermens Club

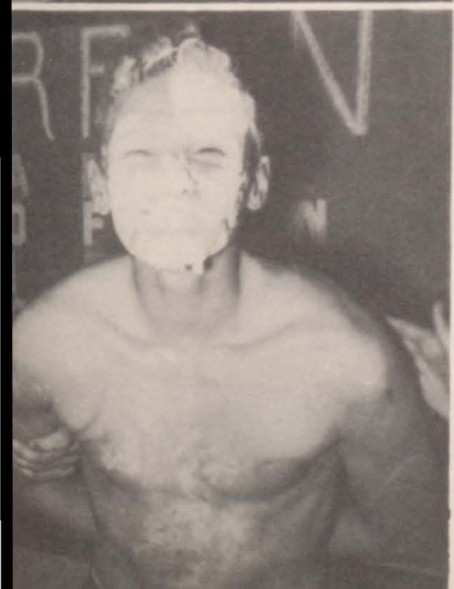

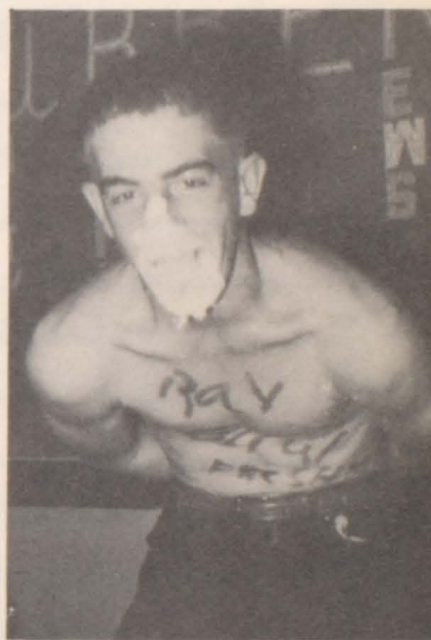

It was a small, but determined group, that first built the Lettermen's Club into a well-known and well-liked organization. After the current football season, however, more new members were initiated into the club. This club is proud to say that it has a knack for eating which cannot be matched by any other club in school.

The officers for this year are as follows: Jim Ericson, president; Keith Waterman, vice president; Glenn Brandsma, secretary-treasurer.

The Club has entertained several groups such as the Library Club, Junior Class Play cast, and School Board members. These are just a few of the many organizations which the Club has entertained. Through these experiences the members have received a better understanding of the school and community.
