We

Present

Your

Mrs. Snell,
What a year —
full of fun — full of
excitement — and supposedly
full of knowledge. I can honestly '56
say I've never enjoyed English

A school career as I have this
year. You've given me the will
to want to do my best, and that's an
accomplishment for
Chest any teacher.

P.S. You owe
me a poem

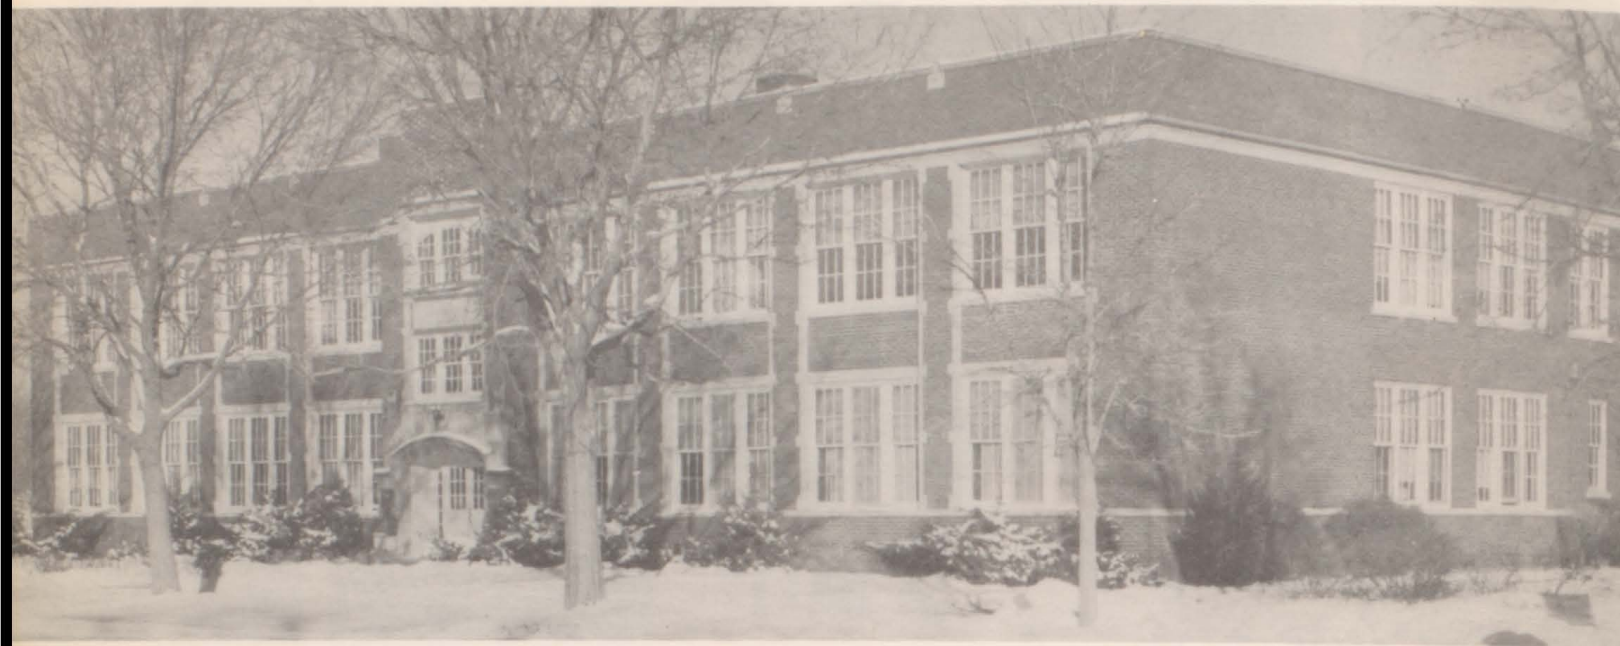

OF precious award on my report
card. Thanks for everything you've
done for me, and for our
class. You've helped make it
Memories what it
is.

Here's to the best, most spirited person I
know. — Thanks for everything.

Mrs. Snell,
Now I'm not
really a man about
town "as you claim I am", I still
feel the same towards you as
But whether I am or not, I still
feel the same towards you as
I did a year ago. I
I did not mean
I did not mean
I did not mean
I did not mean
I did not mean

The Boss

Perhaps no other coach in the history of Hawarden High has obtained a record like Mr. Roth's. Since 1953 when he came, he has coached Hawarden's first undefeated team in 32 years, won conference championships in football and track and clinched the Wooden Shoes. The trophies you have won plus all the friends you have made will permanently seal pleasant memories in our minds. That is why the Senior Class of 1956 dedicate our Comet to you, Mr. Roth.

Frank Hanson, Linde Wohlenberg, Doris Swanson, Judy Hodoway, Norman Liston

As we open our Senior Class memory box, and look into the past, we see many things which we will always hold dear.

Hidden away in one of the corners are our freshmen memories that were made possible by our sponsor, Dale Green. To lead us in the initial year, we chose Norman Liston, Frank Hanson, and Darlene Vander Lught for our officers; we were also well represented in the Homecoming activities by Barbara Haines, who was our freshman attendant.

Piled on top of our freshman memories, are those of our Sophomore year. As we browse through the memories we find Mr. Appell, with the help of Dudley Jans, Darlene Collins, and Yvonne Ervin, who led us through a very exciting year. At Homecoming time we re-elected Yvonne Ervin to represent us as our Sophomore attendant. One of the most prominent memories is that of the Sophomore Carnival, which turned out to be a great success.

Continuing on through the memories, we find Mrs. Snell, a long-time Junior advisor, Bill Esser, Frank Hanson, and Marjorie Bauder who all took the helm to lead us through a very busy Junior year. For our Junior attendant we chose Cheryl Mapes. We finished that year in great style by putting on the Junior-Senior Prom, whose theme was "Evening in Paris." Our Class Play, "The Heiress", also met with good success. Norman Liston took Bill Esser's post as an officer when Bill strayed along memory lane too long.

Our class, now only 28 strong, headed into the final year with great enthusiasm. Ed Kern took the man-sized job of sponsoring us, and the class in turn chose Verlyn Krutchwitz, Gordon Johnson, and Yvonne Ervin for their officers. At Homecoming time we chose Cheryl Mapes and Linde Wholenberg as Queen and attendant respectively. Later we did a real cool play "Quality Street" which was well received. Following that we attended a memorable prom put on by the Junior class.

We'll shut the memory box now, but we'll never shut those memories from our minds.

Underclassmen

Mrs. Snell,
 I don't know where to begin with all my memories of this junior year. It all started when I was elected class president. I'll never forget that honor, I really have many more memories. This year I will always remember. I can't say "Thank you" enough times for all your help in helping me to be a better person. I'll never forget your influence on my life for it is something I really appreciate. My deepest thanks for everything.

Sincerely,
 Edith
 I hope I survive the prom.
 My speech, you know.

Juniors

Memories, yes, this Junior Class of 1956 certainly has its share of memories. These memories will be cherished and kept forever tucked away. They will be unceasingly on call to cheer a bleak hour or to add sparkle to an otherwise dull day. Pleasant memories, yes, memories never to be forgotten--but--First, what is a memory? What are the essential ingredients that make up a memory? Well, in our case, all that is necessary is to merely take a little "Ginger" from our class play TIME OUT FOR GINGER, add to it a dash of Stardust from our prom (Stairway to the Stars), stir it carefully with all the friendship and fun accompanying high school life, and there you have it. Mix these together and you have memories for the finest group of people one could be privileged to know; namely, Hawarden's Junior Class of '56.

But naturally as Juniors, we have more than just memories, we have futures as individuals and as a class. As individuals we have our lifetime for a future, but as a class we have but one year left, next year--next year when we return to school as SENIORS!

Our moments to remember started when we elected Havyn Bradley as pres.; Julia Harmelink, sec.-tres.; and Bruce Popken, vice-pres. They led a very co-operative class through many activities. One of such activities was our car for the homecoming parade. Its theme was "Let's Lick 'Em". Our lovely attendant for the queen was Linda Hodgson.

It was our job to decorate the goal posts, which added to our memories. One of the most important events to us was the sophomore Carnival, which was a huge success. After the carnival, everyone danced to the latest top tunes. We enjoyed our sophomore year and are looking forward to more memories in '57 and '58.

The first thing our advisors, Miss Mortensen and Mr. Pickford, had us do was elect officers.

Those elected, shown here left to right, were Larry Watkins (Sec.-Tres.) Mary Hodgson (Pres.) and Patty Johnson (Vice-Pres.)

Our next duty was homecoming and the freshman attendant, Bonnie Schlumbohm was our fair maiden for the occasion. Also it was our job as freshmen to build the bonfire. We did this twice. (Our first one was burnt by pranksters.) But we still had a large pile of boxes to burn when Thursday night came.

Basketball

The Hawarden Junior High basketball team didn't have a very good season this year. They came close to winning several times but couldn't quite grasp victory. Hawarden was host to the Sioux County Junior High Tourney held Feb. 13 through 18. The Junior Comet participated in the Y. M. C. A. Siouxland Tournament at Sioux Falls.

Wooden Shoes Ours

After five years of bitter struggle between the Dutchmen of Orange City and the Comets of Hawarden, the famed Wooden Shoes have been retired in the Comet's trophy case. The team that won the annual football game between the two clubs was given possession of the shoes until the next game. The team that won the most games out of the five played took permanent possession of the trophy.

The shoes were originated in the season of 1951. The first year the Wooden Shoes collected dust in the Hawarden trophy case as a result of 26-19 victory for the comets.

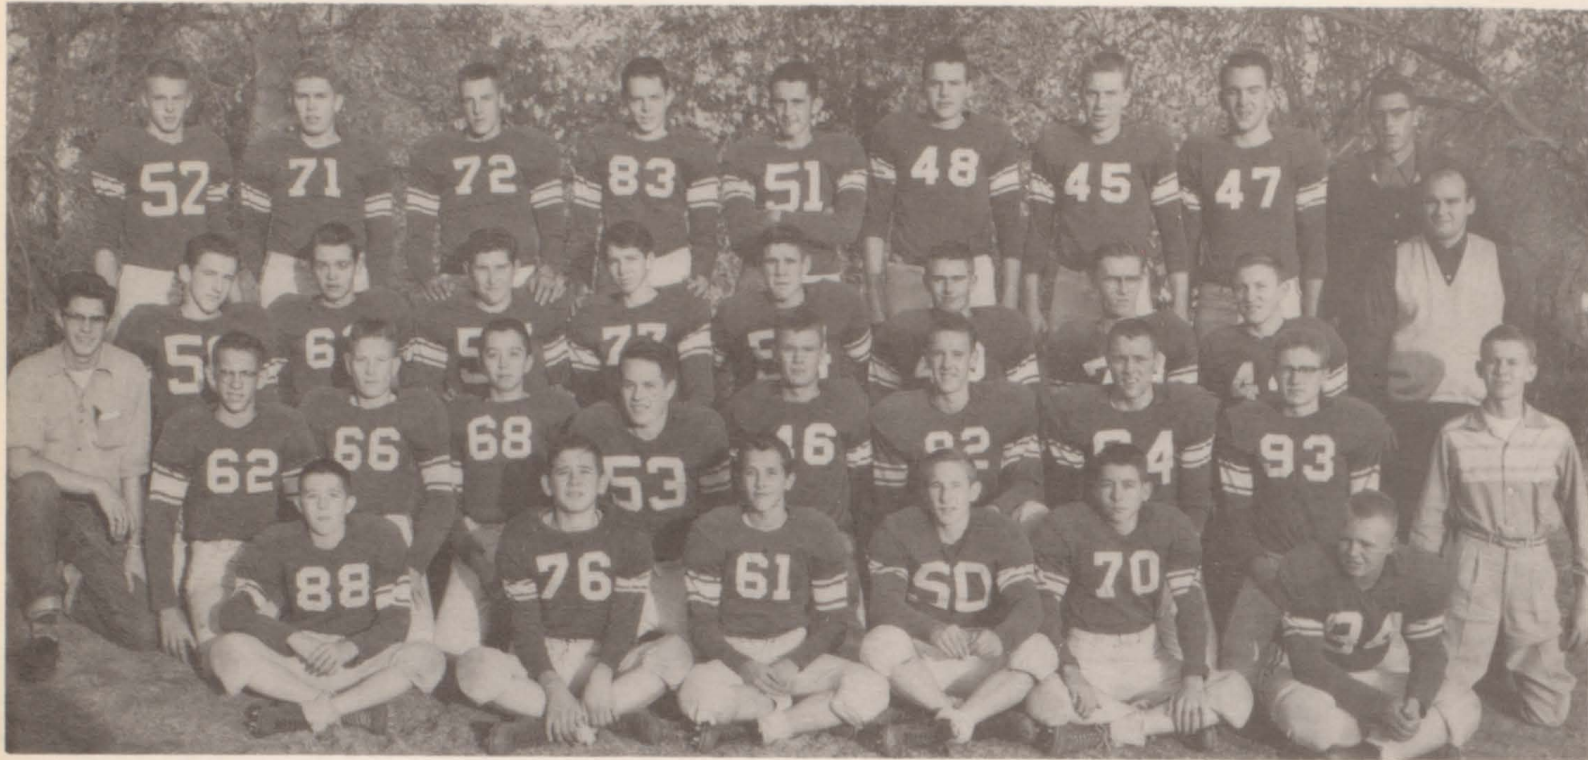

The next year the Dutchmen were out for revenge and proved it as they took a 20-6 decision. This evened up the series at one game apiece.

The Comets and Dutchmen of '53 were very evenly matched as the score indicated. The speed and weight of Orange City proved a little too much as we fell 12-6. This gave our foes a 2-1 edge in the series.

The Hawarden team of '54 which went undefeated, is a team which will be remembered by many throughout Siouland, including the Dutchmen. Orange City, who also had a fine eleven, were soundly beaten 27-13 evening up the series.

The fate of the Wooden Shoes was placed squarely on the shoulders of the team of '55 by results of the previous four games. Part of the Success of the 1955 season was gained as the Comets traveled to Orange City to beat the Dutchmen 13-6 and assure permanent possession of the Wooden Shoes.

Seniors Finish Season

FRONT ROW: Dudley Jans, Frank Hanson, Bob Noble, Gordon Johnson, Verlyn Kruschwitz. BACK ROW: Paul Williams, Norman Liston, Roger Ahmann. NOT PICTURED: Paul Charleson.

Akron, who had one of their best teams in many years, played host for our initial game. Statistically, we were way out in front, but a recovered fumble resulted in a 6-0 defeat by the eventual conference champions. John Harmelink, senior fullback, received a knee injury which sidelined him the remainder of the season.

The following Friday the comets got in to the win column with a convincing 18-0 victory. Ahmann was responsible for two touchdowns while Liston crossed the final stripe once.

Traveling to LeMars for our third encounter of the season, the Comets suffered a 21-0 defeat, at the hands of a strong, determined Bulldog Club.

South Sioux, because of our previous season, was keyed-up for the Comets and outscored them 14-7. Liston's tally in the first half proved to be Hawarden's only touchdown.

Hawarden lost their third straight game to the highly regarded Vermillion Tangers 14-6. Ray Gaul, Junior quarterback, received a foot injury which ended his 1955 football season. Verlyn Kruschwitz caught a pass from Roger Ahmann which was our only score.

When LeMars Gehlen invaded Hawarden for our 1955 homecoming, one of the best games of the year resulted. A determined and fired up Hawarden football machine wrecked any hopes Gehlen had for victory, when Ahmann scored his second touchdown of the game on an intercepted pass making the score 13-7.

Displaying the best running game of the year, the Comets rocked the Lyons from Rock Rapids with a convincing 27-13. The scoring was evenly divided among Ahmann, Green, Liston, and Strong.

Mainly because of a combined effect of a hard charging line, and two counters by Roger Ahmann, the wooden shoes were placed in Hawarden's trophy case for eternity on October 29, 1955. We rolled past the helpless Dutchman 13-6 which netted us undisputed second place (4-1) in the conference.

The 1955 Comets, along with 8 seniors, closed out the football season with a 5-4 record as we rolled to an 18-6 defeat over Elk Point. A touchdown ground out by Rozell and two aerials to Strong drowned out the scoring.

Lettermen

Lettermen's Club

With several prominent leaders in the field of eating the Letterman's Club entered an outstanding year into their chest of memories full of fun, work, and much food! It was all for one and one for all as we worked on such projects as decorating our car for the homecoming parade, nominating candidates for the homecoming queen, giving a successful dance, sponsoring the Sioux County Jr. Hi. Basketball Tourney, going to the Normandy for a feed in style (something new), and last but far from least put on our annual initiation night.

This is a night set aside every year to welcome our new members who have made the grade of earning a letter in one of the major sports. All the veterans take part in this much enjoyed party. They contribute whatever ideas they might have for the victims (new lettermen) a night they will never forget. Some had such wonderful ideas as giving free haircuts, decorating the body with lipstick, axle grease, and paint; plus many other things. If they survive this happy little get-together they became a full fledged letterman as the one pictured below. You can see that not just anyone can be admitted to this well known group that contributes its part to the school. For obvious reasons, most people remember the Letterman: "When in Rome do as the Romans do, when with the Lettermen do the opposite."

Hawarden High School's Band has added greatly to our list of memories. The band, one of the busiest organizations in the school, has been constantly coming and going in their field of activities.

They began their season as a marching band. Besides performing during the halves of the home football games, Hawarden's marching band journeyed to Luverne for the Tri-State Band Festival. Following that, they performed at Morningside, for their annual band day.

As a concert band, Hawarden has achieved many goals. One of the outstanding, and original events sponsored by the band was Hawarden's Toast of the Town. Both the Mid-Winter and Spring Concerts put on by the band proved to be successful. As one of the largest bands at Sioux Center it was again a well presented representative of the school.

The memories to be tucked away in our treasure chest could never be complete without adding the contribution made by our band.

To completely fill our musical chest of memories, the Mixed Chorus of H.H.S. must not be forgotten.

Participating as one of the main attractions in the Mid-Winter Concert, the Mixed chorus sang a verity of numbers, ranging from folk songs to spirituals. The mixed chorus journeyed to Sioux Center to take part in the annual Sioux County Vocal Festival. To end their year, and the memories of '56, they added their grand finale by singing at the graduation exercises in May.

Senior Soloists

Clione Cooper played a flute solo entitled "Dance Of The Pixies" at the Spring Concert. She is a twirler and also accompanies the boys glee club.

The audience at the Spring Concert heard trumpeter Jean Shouse play the solo "Londonderry Air". Jean plays in the Seventeeners and trumpet quartet.

Linde Wohlenberg has been active in music groups all four years of her high school career. She has accompanied the mixed chorus; has been in German Band, Dixie Band, and Seventeeners; a I rating. In addition, she gave a piano recital under the direction of Mrs. Hal Shoemaker. Her solo "Mountain Concerto" also was presented at the Spring Concert.

In the 2 years that Verlyn Kruschwitz has been here he has made an enviable record. He was in the Dixie Land Band, Dance Band, and played his tuba in the 3rd chair spot in the Northwest Iowa Picked Band. He played a sousaphone solo "Asleep In The Deep" at the Midwinter Concert.

Yvonne Ervin played the drum solo "Spook Session" at the Midwinter concert. Her past music activities included Dixie Land Band, drum ensemble, and flag twirling.

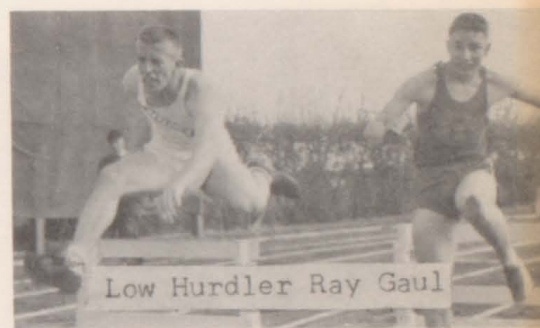

TYPICAL TRACK MEN

SENIORS- Lou, Gord, Rod, and Track Captain Doggie

Hawarden High School had one of its most successful track teams in several years, however, due to a lack of balance they were unable to qualify as Siouxland Conference Champs. The Comets attended a total of 8 meets among these being Holstein, Sioux City, Spencer, Cherokee, the district at Aurelia, and the Conference at Sioux Falls.

One of our strong points throughout the year was our relay teams. The 440 team took second in the conference and second at Aurelia to qualify for state. The 2 mile team was triumphant at the conference meet to give HHS its only trophy, and they also placed 4th both at the district and the Sioux City Relays.

Dear Diary,
 Ever since our Sophmore Carnival a year ago, the Junior Class has been working at football games, producing a class play, selling candy bars, and racking our brains thinking of other money minting schemes. Then came the Prom! We are broke again--penniless but happy.

It was all a whirl--the planning the decorating; the worry; "Will the seniors like it? Will it flop?" the new formal or suit; all to make it the biggest night of the year.

Well, the big night finally arrived with the banquet featuring a "Zodiac Special" as the main dish, and followed by such universally famed orators as Lord Draco and the Flying Comet.

Then, after a stragically planned interlude, cars converged on HHS from every

lonely road and deserted farm in the Siouxland area. These autos contained the same excited personnel, only now the girls' hair was a bit ruffled and there was a red smudge on some boys' collars or ties.

It was time for the dance! Everything was perfect--the thousands of tiny stars, the band, and the beautiful fiber glass "Stairway to the Stars". It was no flop! Even the seniors grunted a mild approval! Hurrah!

The Post Prom Party was great! (I'll never forget Tommy Scott; he was so cute--and so scared.") A healthy breakfast climaxed the whole marvelous evening.

I didn't get home for quite a while after breakfast, Dear Diary, but I'm too tired to write about all that now--you know--the usual thing. 'Night 'Ole Diary.

Love,
 THE JUNIORS

For the seniors, no annual could be complete without mentioning "Quality Street." Since it was the object of Mr. Leahy's master thesis, such things as renting boy's costumes from New York, designing and making the girl's costumes, research into the era by Mrs. Snell, and constructing an elaborate stage setting were all done to get the desired effect regardless of cost.

The complicated plot sees Verlyn Kruschwitz in the hero's role with Doris Swanson and Judy Hodoway each doing a magnificent job playing the sisters, performances which netted them a tie for the "oscar."

Senior President Verlyn Kruschwitz gives the appreciation speech while Rev. Pittack looks on and Principal Kern grabs a short nap.

Senior Commencement

The climax of 13 long years of schooling came to 27 graduating seniors May 23, 1956.

The class had been used to their characters pulling stunts and thought nothing of it when a dog walked on the stage as the first one to tell them goodbye.

The program was opened by the traditional "Pomp and Circumstance," after which Linde Wohlenberg played the piano solo "Chopin Scherzo No. 20."

The commencement speaker this year was the nationally known Rev. Ben K. Youngdahl of Minneapolis. Talking largely from his own experiences, he endeavored to show the seniors just what kind of world we were going into and what we must do to prepare ourselves for it.

The class was presented by Mr. Kern, and the diplomas were handed out by Mr. Feikema. Senior Class President Verlyn Kruschwitz thanked everyone for the seniors and the mixed chorus closed the service by singing "The Lord's Prayer," "Battle Hymn of the Republic," and "You'll Never Walk Alone."

As the seniors marched out to the refrain of "Pomp and Circumstance," one could see they were in deep thought; some were looking ahead to college, some to the service some to a home. All were thinking about the past four years at H H S with a tear in the eye and a lump in the throat.

For some of these seniors it was the end of the trail as far as school is concerned, and they knew the dearest thing they could take with them into life would be their high school Chest of Memories.

Homecoming

Because of the cost entailed, the classes all decided not to build floats, but decorate cars. Here in the afternoon parade goes (1) the lettermen's entry and (2) the band. In the evening at half time is (3) the queen's car and (4) queen-crowner, John Harmelink. The Homecoming Dance topped off the activities at which everyone obviously (5 & 6) had fun.

One of the most memorable events for the Class of 1957 was their humorous production "Time Out for Ginger."

Such things as Ginger's joining the football team, her father's spirited account of the game, and her realization that girls must be girls and boys must be boys, were the highlights of the play.

The superb directing of Frank Leahy, the artistic scenery, and the exceptional acting left little to be desired in a sensationally successful junior class play.

Library Club

The third Wednesday of the month is Library Club night nine times during the school year. Usually the meetings are held at a girl's house with one other girl as co-hostess.

One highlight of the year was the Mother-Daughter Banquet held in the homemaking room. The theme this year was "Harvest Symphony."

Through the work in the library and other activities the library girls have kept very busy and have had a kot of fun doing so.

Outside of the library the year's most important event is the "Spinster's Spring Spree." This has become a traditional girl ask boy affair which is carried out in a farm theme.

I won't ever forget you as an English teacher. I know it is tough getting all of that into me but I think a little may have rubbed off as I passed through. I think that I will finally make it through here but I still can't see how. It has been a great pleasure knowing you as a teacher. I will miss having you call me down in your study halls (3rd especially). Will best of luck to you and your library and also the English students coming up.
