COMET

Mrs. Snell, I have enjoyed your class very much. I didn't do very good work. I think you are the best teacher I have ever had. I hope we will meet again.  
Mendell Goeller

I can honestly say I have never had a teacher who had given me such a good feeling. I had been decorated the year before in H.N.S. I guess you kind of forgot you had a bunch of friends who needed to meet you.  
Fredrick E. ...

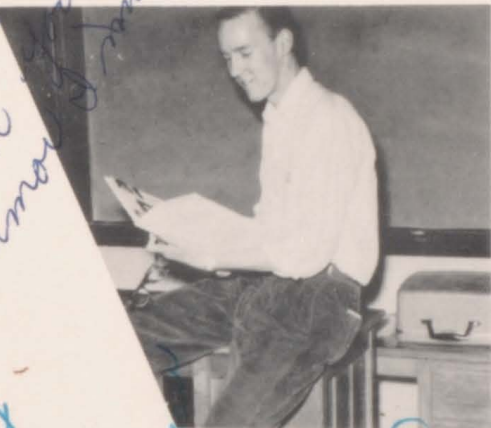

Mrs. Snell, it's been nice having you for a teacher and I'm looking forward to next year. Melvin M.

# COMET

## 1957

Mrs. Snell, my this year has been with your help in school. You made in family and good Lloyd Stang.

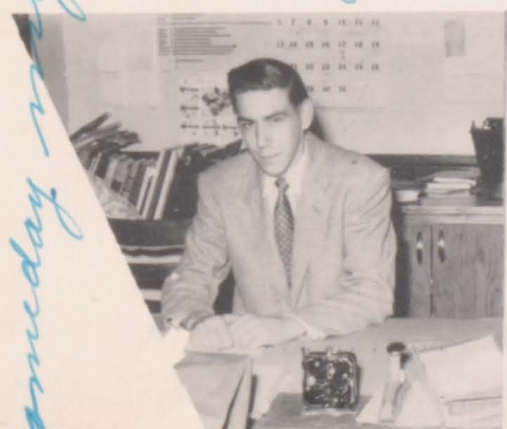

I guess you kind of forgot you had a bunch of friends who needed to meet you.  
Fredrick E. ...

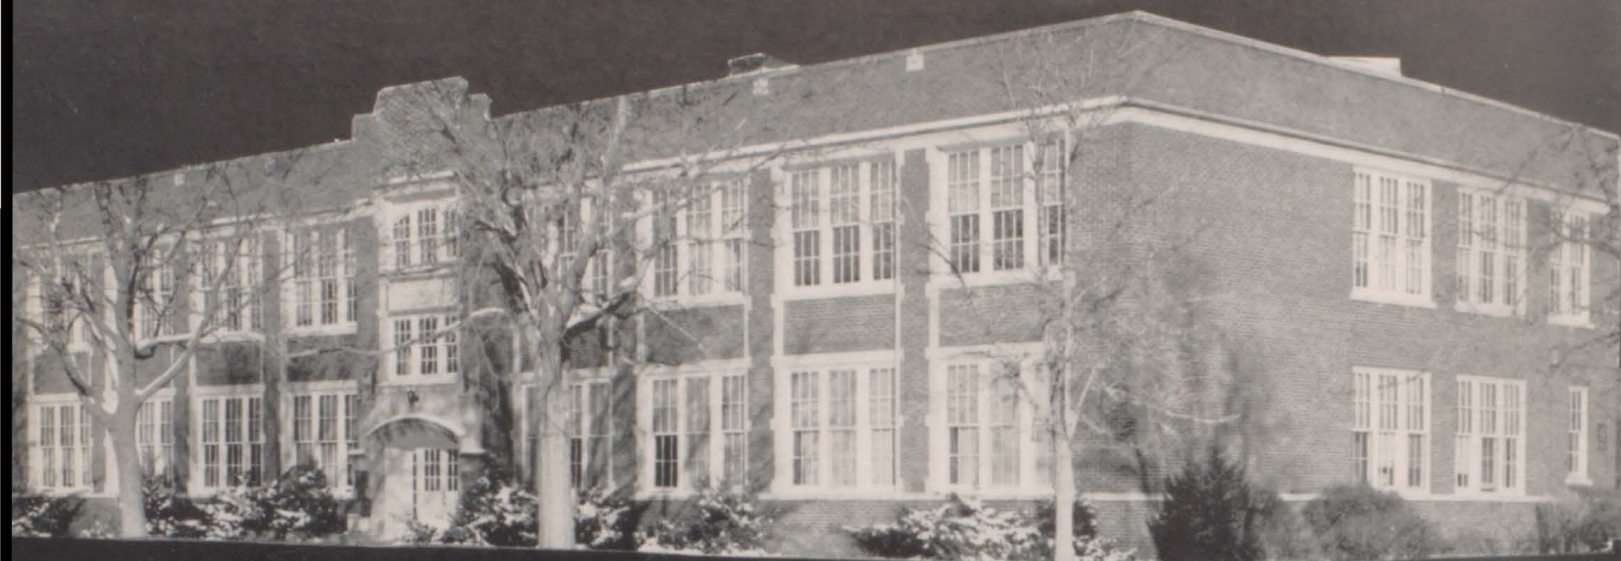

Mrs. Snell, Well, I've had a lot of fun this year, but we tried to be my best. I want to thank you for being a wonderful teacher. Best of luck.  
Jordan

Mrs. Snell, Well, it's just about over. I hope someday my grammar will be better at least.  
Dyane Robinson

Mrs. Snell, I don't know why I couldn't get an "A" in English, but I would like to see you again.  
Mrs. Snell

May I take this opportunity to commend the Annual Staff and Sponsor for another excellent achievement in the production of the Hawarden High School yearbook for 1957.

Within these pages you will find a composite record of Hawarden High School activities which will be of great interest and value to you. This is so because it depicts in word and picture form the elements in school life which contribute to the desired growth and development of our students. Activities and organizations described herein are made possible only through the spontaneous desire and willingness on the part of boys and girls to achieve more than the minimum requirement for graduation. They are the direct result of young people eager to realize their full potentiality through participation in worthwhile endeavors and by their willingness to share their energy, abilities and interests.

Careful analysis of this yearbook should surely serve to activate all students to accomplish as much as they possibly can, not only while attending high school, but throughout life. It can readily be seen that the extra effort extended by many of our seniors has its just reward in the recognition and satisfaction achieved. To those who have had ability, to those who have utilized their talents to the uttermost, and to those who have been diligent, much has been given. You have seen them share in the abundance of opportunities which our high school has to offer. However, much has not been added, perhaps, to those who have not had these qualities. Maybe something besides time was lost.

In recognition of his outstanding achievements in the fields of science and mathematics and for his personal interest and impartiality to all the students, we, the seniors, fondly dedicate the 1957 COMET to Mr. Paul J. Gambaina

Mrs. Snell,  
 I'm not much for words any more,  
 but I guess I can always find a couple for  
 you. There are a lot of things I have accomplished  
 this "gotten to first base" on if it weren't for you. I  
 last year of H.H.S. that I would not have even  
 could name some, but they are too numerous for  
 the allotted space. I guess words aren't

# Class History

Pigtails, pipecurls, hair neatly parted and held in place with hair tonic and shiny scrubbed faces covered with excited smiles, displayed proudly the crisp, ruffled dresses of little girls and the firmly creased trousers of little boys. This was the Class of '57 as for the first time we entered the mysterious halls of the old grade school, anxious to start our first day in kindergarten.

Those were the happy days, carefree days, and days of drudgery, that made up our grade school and junior-high memories. Memories that set the stage for a notorious high school career.

Our debut in high school came under the direction of Mr. Green and Miss Fix, with Ken Bode as the leading character, and Carolyn Johnson and Jim Schwiesow playing the supporting roles. Our freshman dance captured the spot-light, and its success was rewarded with an encore that proved to be equally successful. Boxes were piled high for the Homecoming bonfire that provided one of the heartiest blazes that H.H.S. had seen for quite awhile. Bev. Hartman reigned as our freshman attendant.

When the curtains opened on our sophomore year, the footlights shone on Ray Gaul, ably performing the duties of president, and Mary Truesdell and Rima Rheder backing him up. The stage was set in pink and black as our "Fool's Holiday" gave the entire student body a leading role in the Sophomore Carnival. Homecoming this year was a bigger part of our lives as we drew plans and stuffed rackets for our first entry in the long line of Homecoming floats. Lorraine Dekkers upheld the tradition of our class, serving as our sophomore Homecoming attendant.

We had now passed the amateur stage, and entered our junior year as professional upperclassmen. This was without a doubt our biggest production but it was smoothly polished by our able president, Edith Burkhart, and her assistants, Ron. Thompson and Beverly Hartman. The first act highlighted our junior class play, Time Out for Ginger, which earned for our class, the well-deserved reputation of "free-loaders," and "party-lovers." The fun was exceeded only by the hard work, and the class play yielded bountiful laurels for the Class of '57. Carolyn Johnson took the stage as our junior Homecoming royalty, and the class was equally well-represented by our automotive entry in the Homecoming parade. The final act was the one that captured the audience, as under the able direction of Mrs. Snell, and Mr. Appell, we formed our prom--"Stairway to the Stars." After hours of incessant cutting and glittering we were well rewarded as the reluctant seniors admitted that the final product was something to be proud of--How Well We Knew That!

Now the curtain has opened on our final year. The setting is sentimentally simple, but the atmosphere rings with success. Laverle Rozell has accepted the part of our senior president, and his two understudies are Ken Bode and Anthony Louwerse. Homecoming captured a great share of the glory of this final production, as Bev Hartman regally reigned as Homecoming Queen, attended by Jeannie Dalton. Hours of pleasant labor were spent making final plans for the royal ceremony and building our senior float. Nothing was forgotten--not even the burro! Once more we were given a chance to bring our reputation into the spot-light as work began on our senior class play, Catch a Star. Within a year we jumped from a girl whose only desire was to play football, to a French actress whose success was "certainment." This was our year to receive the royalties, so we sat back and relaxed as the juniors fumed and stewed, frantically attempting to produce a prom comparable to the one of the previous year.

1957 passed, slowly for some, but rapidly for the greatest share of senior actors, and toward the end of May, the faculty reluctantly closed the curtain on one of its most successful productions. Commencement was all the applause we needed, and as each senior eagerly grabbed his diploma, you could hear his faint but determined mumble, "This old place will really be dull next year!" The faculty laughed and proclaimed that every class leaves with those same words, but silently they admit the inevitable--"This sure will be a dull place next year!!!"

Success to our successors,

Class of '57

Dear Mrs. Snell,  
 If my grammar, punctuation, and spelling are terrible, please do not blame the management. Thank you, although I don't show it, for the excellent help you have given me during the past year. Just think next year you will not have to put up with me.

a budding (former) Junior  
 John Thompson

Mrs. Snell -

You're just about the only teacher that will admit the truth - H.H.S. has seen its most glorious days with the Sr. of '57! I don't begin to thank you for all you've not done - but I know that I went outside of class to make my high school days a better one - that I'll long remember. I also know that I've never been out of my mind since your loving subject so fully a teacher that has inspired me to work as you've done. In more places than whenever I needed advice or a lift - I had but to so indicate. Also, never has a teacher so resembled a friend - not merely resembled - but actually was one - and the best of fun working together - being in class together - and just generally being around one another. I could tell this page expressing my gratitude for all you've done for me in the past four years. The amount you gave me in the assembly is one I'll treasure for the rest of my life. To me there is nothing so interesting, fulfilling, or wonderful as literature (we won't mention your literature, and I intend to make a work out of it). I've chosen the basis for my chosen field (over)

UNDERGRADS

... Mrs. Snell will be very important  
 in determining my success. I feel  
 completely confident that my  
 back would could never be so  
 complete as you have made  
 it. Thank you. I sincerely  
 hope that someday, because of  
 and in reward of your patient  
 efforts with me, you can look  
 upon me and speak of your friendship  
 with me as proudly as I can say  
 today, "I had Mrs. Snell as a teacher  
 and friend."  
 Very Sincerely Yours - **Juniors**

# H o m e c o m i n g

A maple leaf of royal gold heralded Autumn as the theme of our 1956 Homecoming. A tremendous crackling bonfire set spirits soaring; unique floats splashed with brilliant colors gave the atmosphere a royal touch; and a hard fought, well-deserved victor over the Vermillion Tanagers set the stage for a breathtaking coronation. With a burst of trumpets the high school gym became radiant with royalty. From the flower girl, strewing her golden pom-poms to the crown and scepter bearers, carrying their honored possessions, the royal company was one truly deserving of their positions. The final moment of triumph arrived as with crown and scepter Queen Bev. began her reign. A gala dance provided the grand finale, as the student body joined the fun dancing to the music of the Seventeeners.

The Junior Class stepped out on the right foot by presenting the comedy hit Aunt Hetty Hits Her Stride.

In the complicated but hilarious plot, a man-hater starts chasing men and her beau is mistaken for another man and vice versa. All turns out well, however.

Mr. Mc Dole, in his first year here, did a splendid job of directing the play.

The handsome trophy pictured above signifies Hawarden Comets as co-champions of the Siouxland Conference along with Akron. This trophy would have been won outright if Lady Luck had been with us at the LeMars Gehlen game to turn it into a 14-all tie instead of a 14-13 defeat. We are, however, justifiably proud of the trophy and the circumstances under which it was obtained. It is all, besides the memories, that remain of the football season of 1956.

Hawarden started a highly successful football season by defeating our arch rival Akron 18-6 on the home field. Akron later went on and shared the Siouxland Conference crown with Hawarden. Strong, Gaul, and Janvrin divided the scoring equally in the opening game.

Augustana Academy was the Comet's next victim. They went down by the score of 27-7. Strong with two TD's and Janvrin and Rozell with seven points apiece and Green with one, led Hawarden's Comets to victory.

With Gaul scoring both TD's and Janvrin kicking the extra point, our Hawarden Comets defeated the LeMars Bulldogs 13-0. Strong and Rozell received injuries which kept them out of the South Sioux game.

Although the Comets scored first on a 15-yard pass from Gaul to Janvrin, South Sioux City went on to win their homecoming, 7-6.

Homecoming is not perfect without a win and the Comets did not let us down. The Vermillion Tanagers went down for the count 13-12 with Green and Rozell plunging for the TD's and Janvrin kicking the extra point.

LeMars Gehlen put a damper on the Comets hopes for the championship by edging the Comets 14-13 on a safety. Janvrin with 7, and Gaul with 6, led Hawarden.

Rock Rapids was host to the Comets next and we turned out to be poor guests. They went down 24-0. Gaul, Rozell, and Strong and Janvrin split the scoring.

Hawarden gained a share of the championship Halloween night by defeating Orange City 13-6. Gaul and Rozell had TD's and Janvrin kicked the point.

Sutherland proved to be the Comets best game. They went down 39-20. Janvrin and Gaul had two TD's each and Strong and Vande Berg each had one. Janvrin kicked two extra points and Rozell caught a pass for the other point.

What is it? That is, perhaps, the understatement of the year. The more the team saw of that spherical ball, the less they were acquainted with it. It was the party of the third part that set a record which we hope will not be broken in years to come--16 straight defeats. However, games such as the "lively" Le Mars Central Game, where players stood for a quarter at a time with the ball (which we lost 21-20), and the sectional game with Sioux Center in which we were ahead 23-14 at the half, but eventually we lost, these games showed that they were at least familiar with it. But once again we sign off a basketball season with the now famous and familiar saying, "Wait 'til next year."

Mrs. Inell,  
 Well, it doesn't  
 seem possible that  
 I have but one year of  
 high school left. But even  
 more instant, one year of  
 English. Although I will  
 your class any more, I will not be in  
 old H.H.S. I also want to thank you for your  
 time and effort in trying to help us that English  
 is by far one of the most important of all subjects. Realizing  
 this to be true, I only hope that you had so readily tried to find us  
 use properly the knowledge that you have had many  
 one, or should say my, head. Despite our differences, we have had many  
 good times, all of which I, and I am sure you, have enjoyed every minute. Thus,  
 let us not forget these memories that we need and bear to us so that in  
 the future we can look back at our experiences at H.H.S. with satisfaction  
 and not with regret. Well, I have talked long enough about nothing so I  
 will sign off with this message: the best of luck to a wonderful teacher,  
 and a fine friend  
 Dorel

## Twirlers

The Hawarden High School twirling corps "frosted the cake" of half-time activities during our successful '56 football season. Combining novel costumes with much obvious talent, the girls provided many pleasant moments for the football fans of H.H.S. They also participated in Band Day at Sioux City, which is sponsored annually by Morning-side College. Yes, the twirling corps of Hawarden High has given us many a memorable moment in the past school year.

The Future Homemakers of America began the year with sixty-one members. Our meetings were held the fourth Monday of every month. During the month of October, we went to Aurelia for our district convention and also had Mrs. Bolster give a talk and demonstration on flower center pieces for fall. When we had our meeting in November Mrs. Britzmann gave a talk about consumer buying of clothing for girls. As wintery December rolled around, we began planning for our Christmas caroling party held annually with the F. F. A. boys. In January, our annual Mother-Daughter night was held. Our Heart Sister's party was held in February in honor of Valentines Day. In March, we planned our activities for F. H. A. week which was held the 7-13 of April. Under the wise leadership of our sponsor, Mrs. Miller, our year has been a memorable one which all of us will remember in future years.

The Girls Athletic Association stepped forth into the 1956-1957 school year with lively enthusiasm. The girls, determined to make the organization the best ever, began the year with a new merit system. After this, there was no stopping them; the ambitious boisterous group filled the year with basketball tournaments, a Christmas party, swimming at Sioux City, and finally, the annual "Soc Hop". The blending of these various activities has not only carried on the G. A. A.'s tradition of fun and good sportsmanship, but it has also furnished an incentive to make the next year and the following years better and better.

"Where's the book, Giant? Where's the check-out slip for this magazine? Find those old magazines for me and pronto." These are only a few of the questions with which sixteen girls were confronted throughout the year. These girls, with the able guidance of Mrs. Snell, our head librarian, constitute the Library Club.

Presiding over this organization was Edith Burkhart, president, who was ably assisted by Rima Rehder, vice-president; Rosalie Yates, secretary-treasurer; and Jeanne Dalton, journalist. The Library Club has a business meeting every third Wednesday of the month. Besides the business meetings, the Library Club has its social activities also

The Library Club is an active organization which aims not only to give the best possible library service to Hawarden High School, but to learn to work together for the benefit of all.

State Contest (I)

*Mr. Snell -  
I wish you had more trouble with me than with any other student - at any rate we both have worked hard to be a grammar teacher (I never professed to be a grammar teacher)  
I'll see you next year perhaps and if possible send you a card during my travels next fall!

Mrs. Snell, really been  
It has really been  
a privilege to be in the  
family but. All the  
parties in the different  
homes the trips to the  
Normandy etc. are enjoyed.  
- I even joined English. Best wishes  
it all very much. Teacher and  
to a wonderful friend.

## Annual Staff

Mrs. Snell,  
Our  
Junior year will  
soon be over and  
without the aid  
of you and our  
other advisors we  
would not have been  
the success we  
was. Best wishes  
Meva

Dear Mrs. Snell,  
 It has really been a privilege for me  
 to have known you this year and  
 have been able to belong to the  
 Library Club. It has made my  
 freshman year a lot more special  
 and has provided for complete  
 enjoyment on my part. As of  
 now I haven't had you for a  
 teacher, but I'm looking forward  
 to my sophomore English  
 classes with you.  
 Best of luck always to a sweet person.  
 Sincerely, Ardis Nelson
