DEDICATION OF THE 1969 FALCON

The 1969 FALCON is dedicated to Wendee Jean Leafstadt, who was taken from this life on May 18, 1969.

Wendee was an active student at West Sioux, academically as well as socially. But to those of us who knew her she was more than this. Wendee was a friend to all. All aspects of life were very important to her. She lived each day of her life knowing that today was better than yesterday but not as good as tomorrow.

When Wendee left this life she left each one of us the memory of how a person should live their life. Wendee had high hopes, high ideals, and yet a sense of reality. In Wendee's sixteen years she had come to understand life's deep meaning, something which most of us never do.

The dedication of this annual is given to Wendee because of her contributions to West Sioux and her own dedication to life, of which she herself was denied.

Wendee Jean Leafstadt, 1968

Wendee, BOTTOM ROW--left end, was a select member of the "24 Singers".

Today was better than yesterday but not as good as tomorrow.
