I do
my thing,

and you
do your
thing.

I am not
in this world
to live up to
your expectations
and you are not
in this world
to live up to
mine.

You are you,
and I am I.

and if
by chance
we should
find each
other. . .

It's beautiful. Perls

WEST SIOUX COMMUNITY HIGH SCHOOL

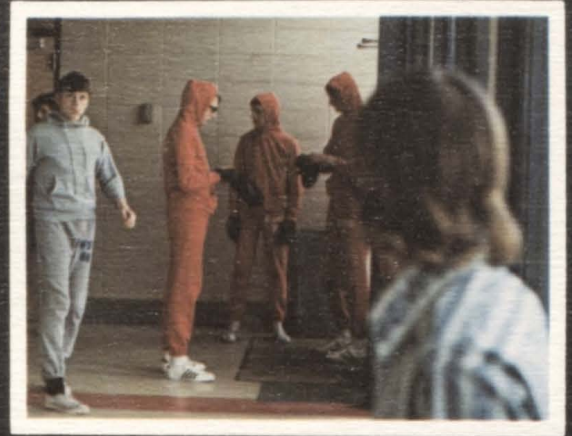

*To stop, to look, to listen and learn
to be alone, yet together. To fit-
not only in the tireless routine
of endless weeks, but into the hasty
buzzing noise of an active high school!
Time and people work as one to
make things fit, to give them meaning.
Crowds gather yet individuals leave
going and coming, all are seperately
alike. All live and love, and
cruelly hate. A single shadow
follows all yet becomes an
individual in the light, darkness
hides the differences found.
We have come, and fit;
Now we are one.*

Unknown

If a man
does not
keep pace

with his
companions,

perhaps it is because
he hears a different
drummer;

Let him
step to
the music
he hears,

however
measured
or far away.
Thoreau

A yearbook is the school's personal 'family album' and that is exactly what this year's staff has tried to create. The school is a seven-hour-a-day home, with each student, teacher, and administration making a part of the school family. Naturally the school is made up of organizations and groups of people, but I personally have sought recognition for the individual, because each and every person is unique and different from everyone else. Everyone is a part of this 72 FALCON and this yearbook is "You" as "you" are.

Many people have contributed their time and talents to help make each annual better than before. I want to thank every member of the staff, patrons who supported us through ads, and Mr. Lindgren for his guidance.
