ODE TO LIFE

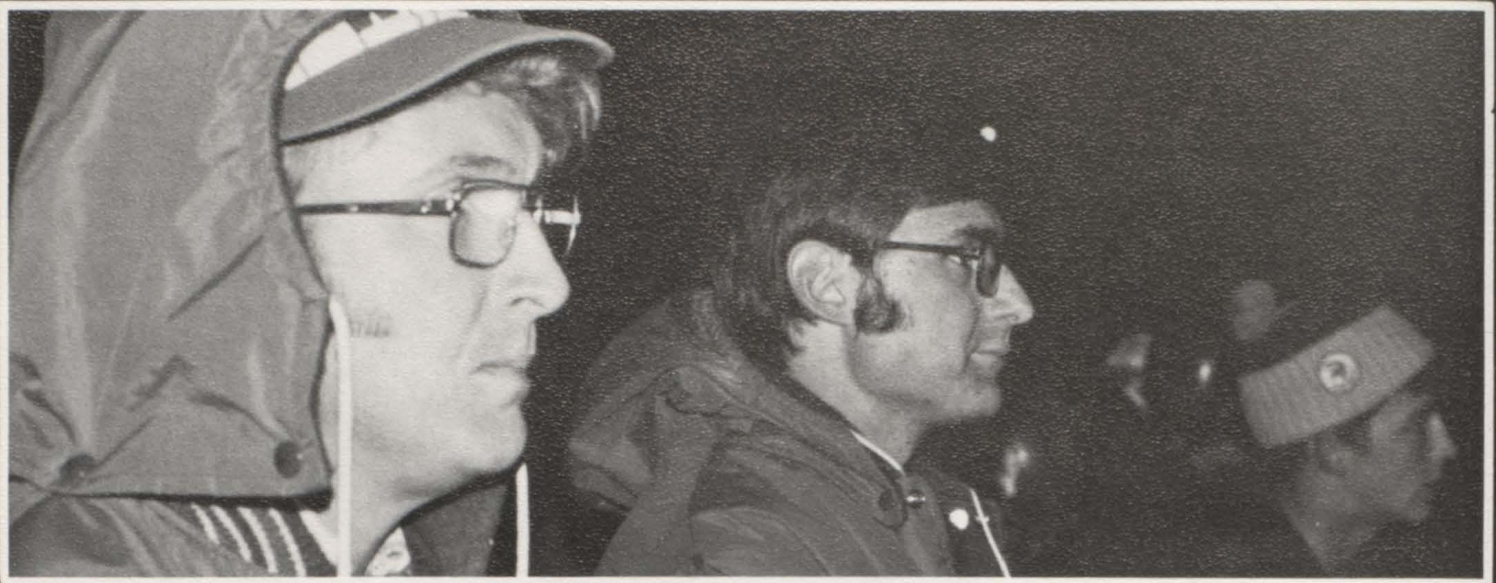

Where do you think your path will end?
Are you living a noble life?
Maybe you think God's laws will bend,
Time alone will end your strife.

God's laws are like the mighty oak.
They never bend or sway,
Nor do they drift along like smoke,
Like mountains forever here to stay.

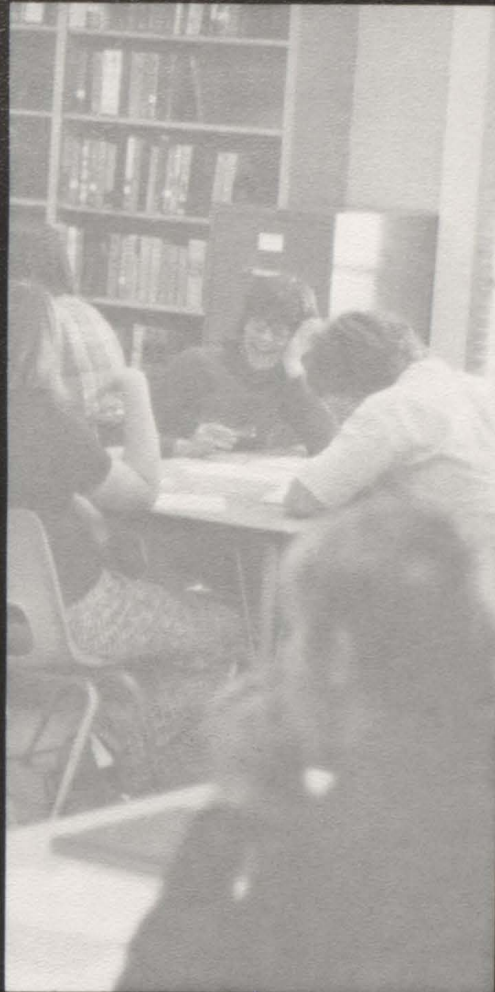

So live your life with good intent,
World's can't be won in a day.
Don't look back on wasted time you've spent,
Reflections seldom pay.

FLOAT BUILDING, A WHOLE CLASS EFFORT

The rain didn't stop any one.

At least we tried

Just a thousand and one to go

Pretty, huh Mark?

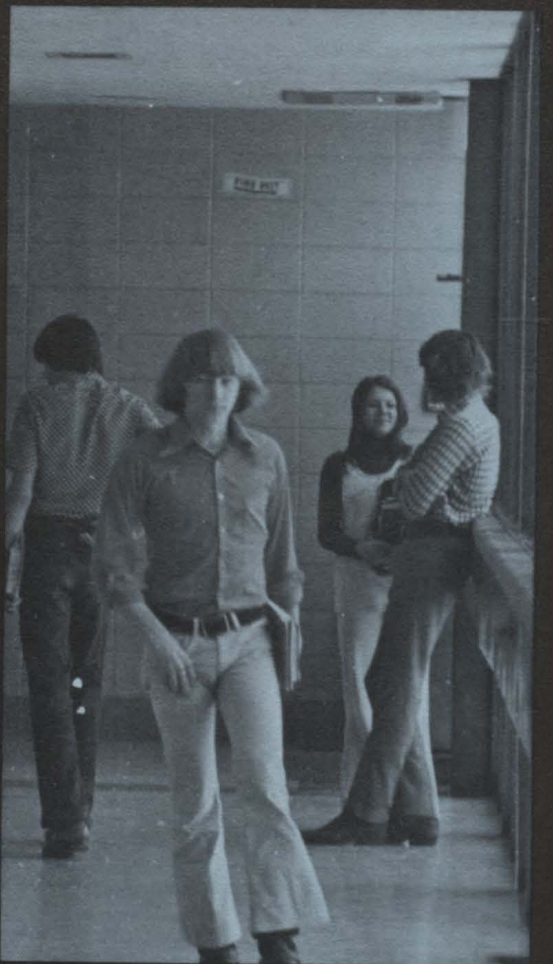

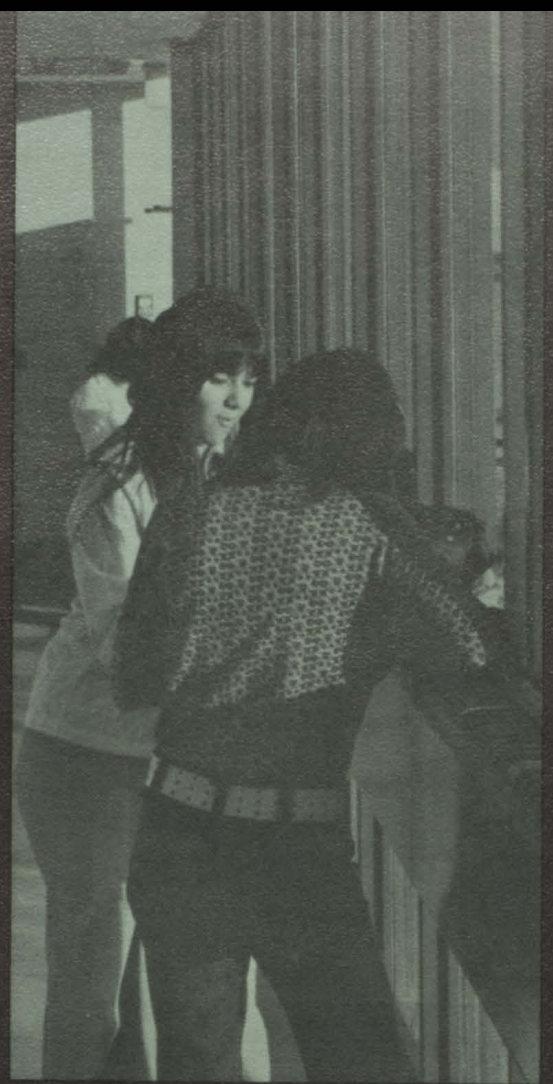

Four years of flowers. Not bad!

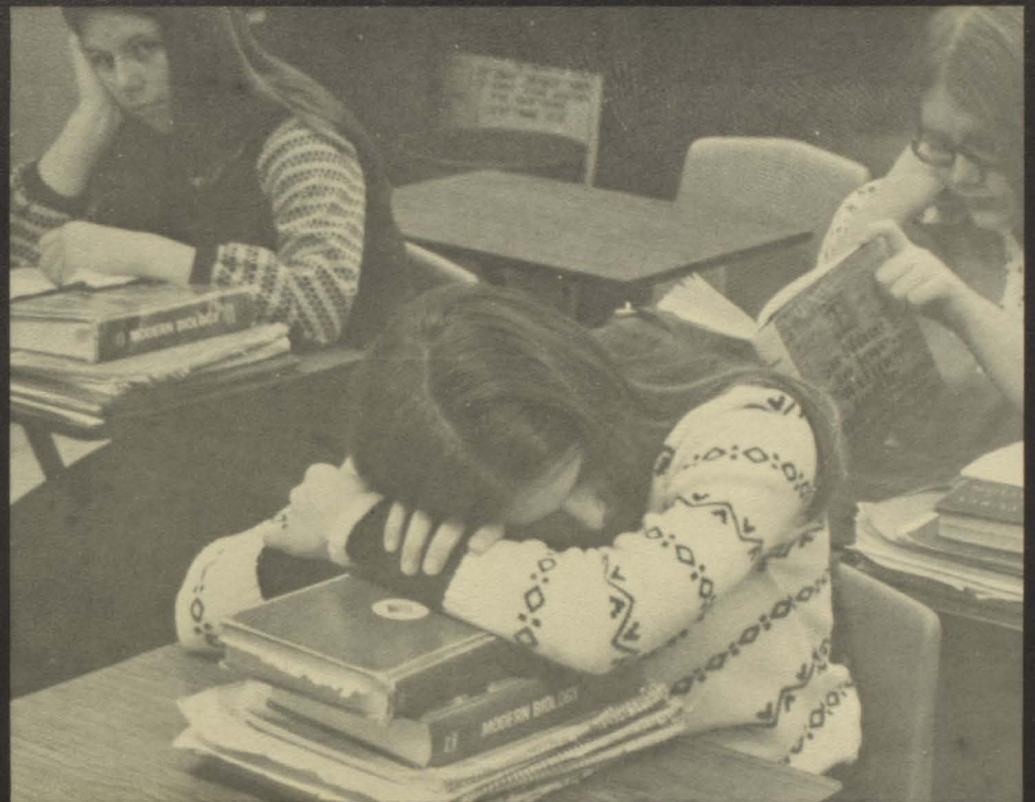

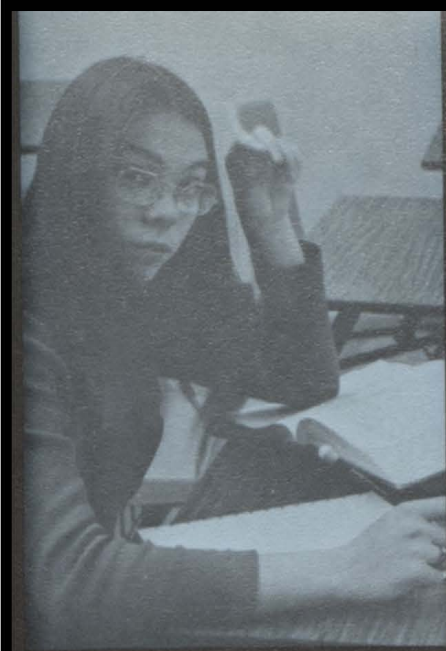

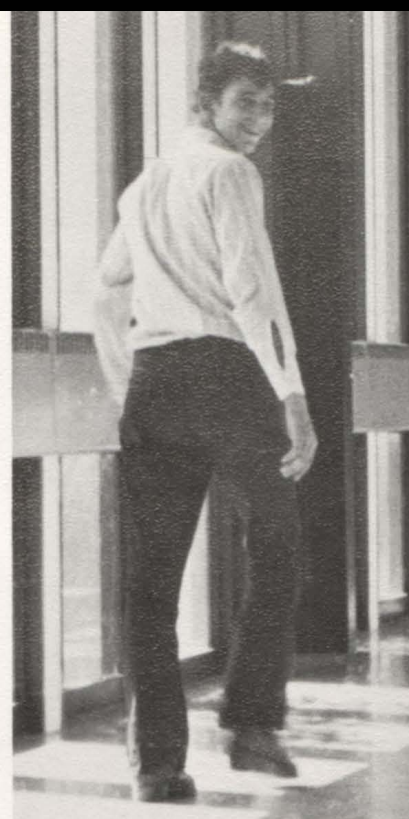

I wonder how much it will cost us to win this one.

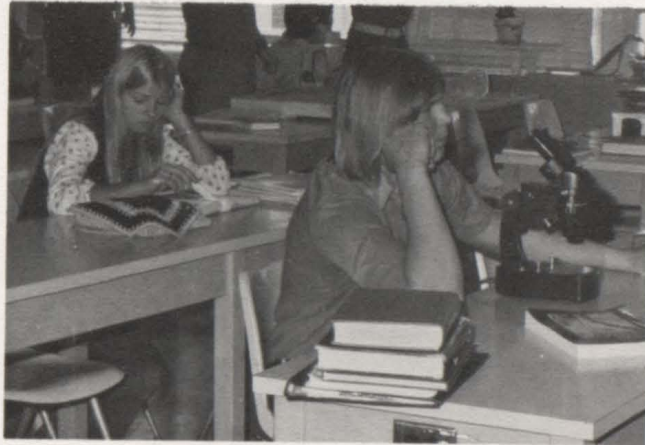

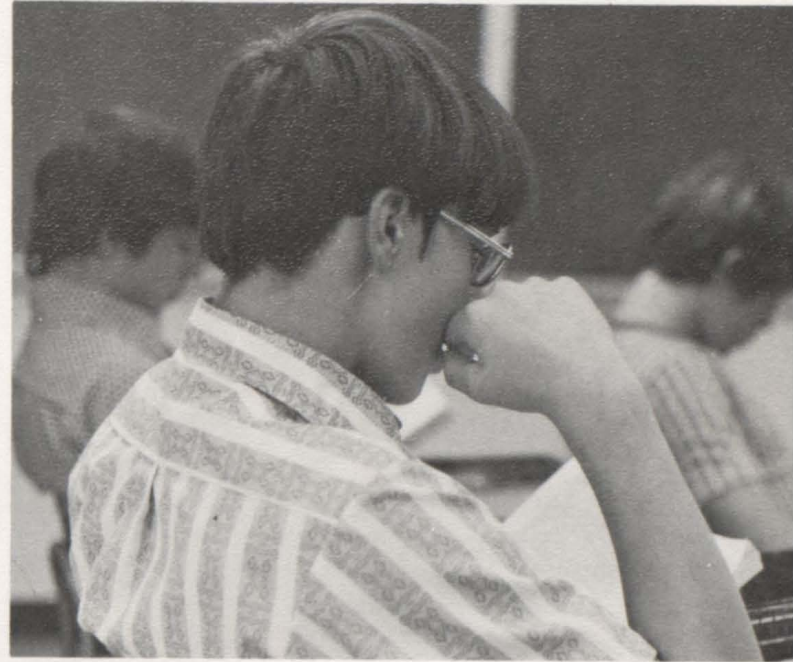

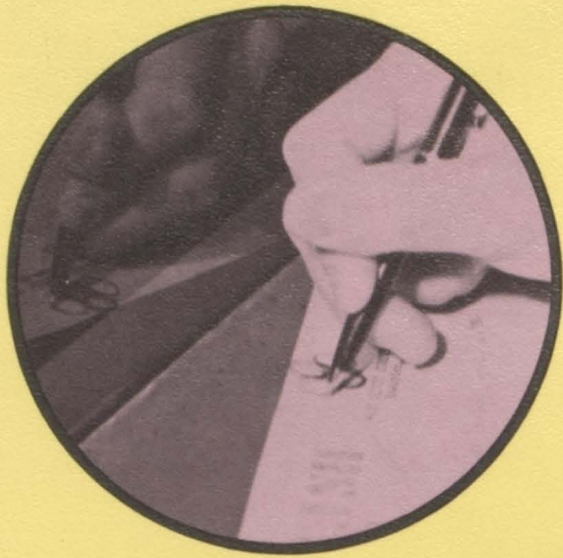

Paul will show us how it's done.
